— WHAT YOU'LL LEARN

Three weeks that change everything

Each week focuses on a different stage of your journey. Bite-sized content via email, then Saturdays you come together live on Zoom.

01

Your Pregnancy Journey

Understanding what's happening in your body and emotions.

- The emotional rollercoaster of pregnancy
- Relief for nausea, aches, cramps & swelling
- Your changing body explained
- Warning signs to watch for

02

Preparing for Birth

What birth actually looks like, your options, and pain management.

- Birth options: natural, active, water, home
- Stages of labour & what to expect
- Positions that help at each stage
- Pain relief & interventions

03

Baby & Life After Birth

Meeting your newborn, feeding, recovery, and first days at home.

- Your newborn: what they need
- Breastfeeding, feeding & soothing
- Your body after birth & recovery
- Early parenting survival tips

— HOW IT WORKS

Simple, flexible, designed for busy moms

No apps to download. Just your inbox, a Zoom link, and a WhatsApp group.

Read at your pace

2–3 short emails each week covering upcoming topics.

Join Saturdays live

Every Saturday, hop on Zoom with Ansie. Ask questions, go deeper.

Chat on WhatsApp

Private group with Ansie and your fellow moms-to-be.

— YOUR MIDWIFE

Meet *Ansie Lima*

Ansie is a registered midwife and doula based in Port Elizabeth. She holds a BCUR Nursing degree from the University of Johannesburg and has years of experience across hospitals, clinics, and home births.

As a mom of two, she brings both professional expertise and personal experience to every class.

BCUR Nursing (UJ) | Registered Midwife | Sensitive Midwifery | Doula

What moms are saying

★★★★★

"Ansie made me feel so much calmer about the whole birth experience. I went from being terrified to actually feeling excited."

Lerato M. — First-time mom, PE

★★★★★

"My husband loved the Saturday sessions too — he said it made him feel part of the journey."

Nomsa K. — First-time mom, PE
